Principal Activities

The principal activity of the association during the financial year was to represent inter alia the professional, industrial and employment interests of its members who are professional footballers.

Significant Changes

Post signing of the CBA agreement with the FFA, it was decided to refund the Advocacy Funds received in the 2015 financial year, in full to the players. During the course of this financial year, by agreement Adam Vivian resigned his position as CEO of the PFA.

Operating Result

The deficit amounted to (\$257,398). (2015: surplus \$311,817).

The 2016 financial year was a challenging year for the PFA. The loss for 2016 is largely attributable to the CBA negotiations and the heavy reliance on external consultants to assist the PFA in achieving its stated CBA outcomes.

Matters subsequent to the end of the financial year

No other matter or circumstance has arisen since 30th June 2016 that has significantly affected or may significantly affect the operations, the results of those operations or the group's state of affairs in future financial years.

Signed in accordance with a resolution of the Members of the Committee:

Chief Executive Officer

John Didulica

Dated this 13 day of October 2016.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

Significant Judgements and Key Assumptions

No significant judgements have been made in applying accounting policies that have a significant effect on the amounts recognised in the financial statements. No key assumptions have been made concerning the future and there are no other key sources of estimation, uncertainty at the balance date that the committee members consider to have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

(a) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and with are subject to an insignificant risk of changes in value, and bank overdrafts.

(b) Trade Receivables

Trade receivables are recognised at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off by reducing the carrying amount directly. An allowance account is used when there is objective evidence that the group will not be able to collect all amounts due according to the original terms of the receivable.

(c) Plant and Equipment

Plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Depreciation on Plant and Equipment is calculated using either the straight-line or the diminishing value method depending on the type of asset, over their estimated useful lives or in the case of leasehold improvements the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

(d) Intangibles

Intangible assets that have a finite useful life are amortised over the useful live and tested for impairment whenever there is an indication that the intangible asset may be impaired or whenever events or circumstances indicate that the carrying amount may not be recoverable. The amortisation period and the amortisation method for an intangible asset with a finite useful life is reviewed annually. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the amortisation period or method as appropriate which is a change in the accounting estimate. The amortisation expense on intangible assets with finite lives is recognised in the statement of comprehensive income in the expense category consistent with the function of the intangible asset. If any indication of impairment exists an estimate of the asset's recoverable amount is calculated. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

(e) Trade and Other Payables

These amounts represent liabilities for goods and services provided to the association prior to the end of financial year which are unpaid. These amounts are unsecured and are usually payable within 30 days of recognition.

(f) Provisions and Accruals

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

(g) Employee Benefits

Charges have been made against profits for amounts expected to be paid to employees for accrued annual leave and long service leave. Amounts accrued which represent vested entitlements are shown as current liabilities. Amounts accrued for long service benefits which are vested are shown as non-current liabilities and are calculated on the basis of the unvested rights of employees.

Contributions are made to employee superannuation funds and are charged as expenses when incurred. All employees are entitled to varying levels of benefits on retirement, disability or death. The superannuation plans or equivalent provided accumulated benefits. Contributions are made in accordance with the statutory requirements of each jurisdiction.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to the Australian Taxation Office, is included with other receivables or payables in the Balance Sheet.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2016

(i) Revenue

Revenue from the sale of goods and services is recognised upon the delivery of goods and services to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Sponsorship income is recognised over the term of the agreement as set out in the sponsorship agreements. Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt. All revenue is stated net of the amount of GST.

(j) Income Tax Expense

The Executive is of the opinion that the Professional Footballers Australia Inc. satisfies the necessary prerequisites to be an unregistered trade union pursuant to section 50-55 of the ITAA97. The Association is located in Australia, undertakes its activities principally in Australia and it is an association of workers established for the protection and furtherance of workers interests. The tax exempt status of Professional Footballers Australia Inc. as an unregistered trade union allows no recognition of income tax expense in the statements.
